STUDIOSCRUBZ / CONTRACTOR PORTAL

From request to booking

A structured, approval-first process for every cleaning opportunity.

PHASE 01 / SUBMIT AND APPROVE

01

PORTAL ACCESS

Activate your invitation-only company account and keep your company profile and contact information current.

02

NEW OPPORTUNITY

Submit service type, location, requested date/time, scope, and proposed compensation. Residential jobs require client name and full address.

03

OPERATIONS REVIEW

StudioScrubz evaluates the scope, availability, location, and proposed compensation. Clarifications or revised terms are handled through the portal.

04

ACCEPTANCE & SCHEDULING

Only StudioScrubz approval confirms a job. Accepted opportunities move to Scheduled Jobs with the agreed appointment details.

05

SERVICE EXECUTION

StudioScrubz assigns its Scrubz Techs, manages the work, and records completion details or service issues.

After the job is accepted

Clear ownership, communication, and visibility through completion.

PHASE 02 / TRACK AND RECONCILE

06 TRACK JOB STATUS

View upcoming assignments and past completed work in Scheduled Jobs. Keep job-related communication with StudioScrubz Operations.

07 QUALITY REVIEW & RECEIVABLES

StudioScrubz reviews completion and records applicable invoices or receivables. Payment timing follows the agreed terms.

WHO HANDLES WHAT

CONTRACTOR COMPANY

- Submit complete, accurate requests
- Respond to clarification requests
- Review scheduled and completed jobs
- Track payment records

STUDIOSCRUBZ OPERATIONS

- Review and negotiate job requests
- Accept, staff, and schedule work
- Manage service and quality checks
- Maintain job and invoice status

PORTAL RULES TO REMEMBER

Submit all new requests in Job Opportunities. Requests may be edited until approval. Once accepted, use Scheduled Jobs. A submission is not a confirmed booking. Contact the designated Operations Manager through the portal, not individual Scrubz Techs.

CONTRACTOR PORTAL

How to Download the Contractor Portal as an App on iPhone

Follow these simple steps to add the StudioScrubz Contractor Portal to your Home Screen for quick and easy access, just like a regular app.

1 Open in Safari

On your iPhone, open the Safari browser and go to **partners.studioscrubz.com**

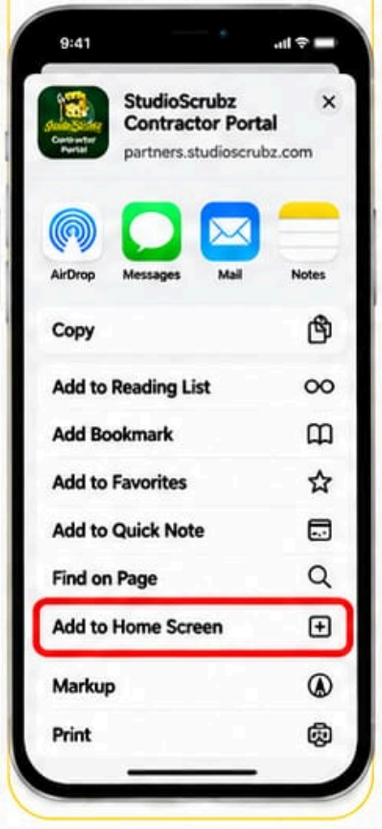

2 Tap the Share Button

Once the site loads, tap the Share button (the square with an arrow pointing up) at the bottom of the screen.

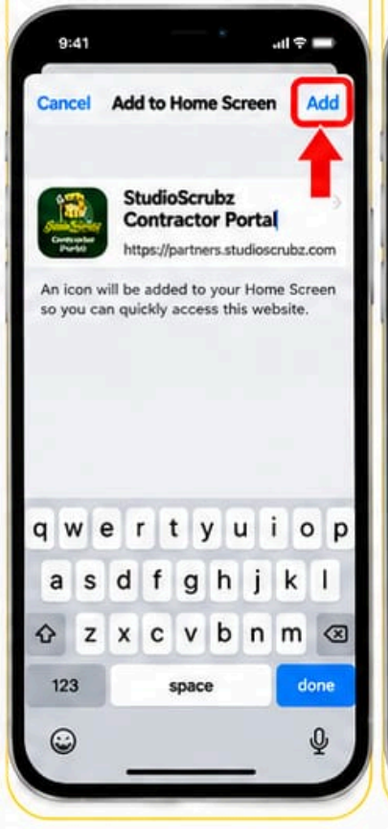

3 Choose Add to Home Screen

In the menu that appears, scroll down and tap **Add to Home Screen.**

4 Tap Add

You can keep the default name (StudioScrubz Contractor Portal), then tap **Add** in the top right corner.

5 Find the App Icon

The StudioScrubz Contractor Portal icon will now appear on your iPhone Home Screen.

6 Open It Like an App

Tap the Contractor Portal icon anytime to open it directly, just like a regular app. It will open like an app for quick access.
